

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry "documentary" days before the election is a clear example of the dangers of media consolidation.

By allowing this the FCC will undermine the strength of our democracy. I honestly fear for future of the country if this is allowed. This is the kind of thing I would expect to hear about happening in China, Cuba, or Germany under Hitler! History will judge your actions-you KNOW this is wrong for America....

Thank You.
